Deviation of colour from the original may occur due to printing limitations and will be considered acceptable performance. Specifications and designs subject to change without notice. No liability for misprint. Catalogue valid through December 2014. Contact your JOHN DEERE dealer for further information.

Some of the toys in this catalogue (eg pedal tractors and electric ride on toys) are quite large. To reduce the packaging volume these toys are not fully assembled, so some build up work is required. This helps to reduce the amount of packaging waste and improve transport efficiencies, so saving fuel. For a small charge, your John Deere dealer will be pleased to fully assemble these toys for you.
