Editorial

Ladies & Gentlemen,

Whether you are an arable or livestock farmer, a speciality crop producer or contractor, greenkeeper or groundsman in a continuously changing business environment, you are facing a new challenge almost every day. As a result, you are looking to obtain the best possible performance, machine uptime and lowest achievable cost of operation without making compromises.

John Deere has long been committed to the success of those linked to the land – to the success of those who cultivate, transform, enrich and build upon it. We understand that success requires dedication so we are committing ourselves to supplying the innovative and high quality equipment necessary to support the success of those linked to the land.

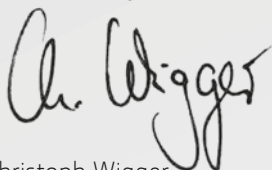

Regardless of which John Deere products come to mind – whether you think of our equipment, components, parts and accessories, or of our John Deere Collection: they are all diligently designed and engineered, accurately manufactured and cautiously handled before our products are shipped to our customers. On our never-ending journey to further enhance the John Deere customer experience, we continue to invest in the best product quality, a great dealer network securing what matters most to you: excellent service and parts support to keep your machines running when you need them.

In 2011, John Deere made its debut on Interbrand's list of its '100 Best Global Brands.' This list honors companies for their commitment to core values such as innovation, customer satisfaction, ethical business conduct and sustaining high levels of quality – values that we at John Deere share with you and your customers too.

The 2014 John Deere Collection has been further expanded and includes numerous new items, such as new branded toys, professional clothing, casual wear and an array of gifts that will delight your family and friends. Take time to relax and enjoy browsing through our 2014 John Deere Collection catalogue – we trust you will find a number of appealing items.

Thank you for your ongoing trust in the John Deere brand.

Yours sincerely,

A handwritten signature in black ink that reads "Ch. Wigger".
