This overall is in fairtrade & organic cotton

The cotton of this garment comes from West African small-scale farmers that benefit from Fairtrade and chose organic farming.

The Fairtrade label guarantees farmers in the developing world:

- A fair and stable price for their crops (price/kg)
- A social premium for community investments

On top of Fairtrade environmental requirements, farmers also comply with organic standards:

- Protection of the biodiversity (areas of natural water, virgin forest...)
- No use of chemicals pesticides nor GMO
